Introduction

New Round-Up 1 English Grammar Practice combines games and fun with serious, systematic grammar practice. It is ideal for young learners in the preliminary stages of English language learning.

Students see grammar points clearly presented in colourful boxes and tables. They practise grammar through lively, highly illustrated games and oral and writing activities.

New Round-Up is especially designed for different students studying English in different ways.

It can be used:

- in class with a coursebook. Students do both oral work – in pairs and in groups – and written work in New Round-Up.
- after class. The 'write-in' activities are ideal for homework. Students can practise what they have learned in the classroom.
- on holidays for revision. New Round-Up has clear instructions and simple grammar boxes, so students can study at home without a teacher.

The New Round-Up Teacher's Guide includes a full answer key, quizzes, tests plus answer keys, and audio scripts of progress check listening tasks.

Song

We get up at eight o'clock
It's time to start the day
We finish school at three o'clock
We always shout Hooray!

We meet our friends at four o'clock
And then it's time to play!

We're happy all the time!

We are happy in the morning
We're happy in the evening
We are happy at the weekends
We're happy all the time!

On Mondays we play tennis
And we sometimes watch TV
On Wednesdays we play football

Or we climb our favourite tree
On Fridays we play basketball

And everyone can see
We're happy all the time!

In the summer we can swim
And play out in the sun
In winter we play in the snow
And have a lot of fun!

In autumn we play with the leaves
It's fun for everyone
We're happy all the time!
